YACHT ROCK MULTIMEDIA EXPERIENCE

EVERY SONG TELLS A STORY

Great songs do more than entertain. Their lyrics take us places, introduce us to characters, stir memories, and spark the imagination. ROCK THE BOAT brings that storytelling spirit to the stage in a big way - on a big screen - transforming the tales within the music into colorful worlds of live action, animation, fantasy, humor, and wonder—created by a former Disney VFX artist.

ROCK THE BOAT
The Hues Corporation

The band's anthem explodes into an nautical celebration of live action and animation - dancing sea creatures, mermaids, rocking boats, and a tidal wave of joy. It's under the sea... and over the top!

AFRICA
Toto

Breathtaking vistas of the African segengeti. Indigenous rhythms. The rains are blessed — and the screen bursts with life in this moving, live action celebration.

BRANDY
(You're a Fine Girl)
Looking Glass

A cinematic turn-of-the-century harbor town where Brandy lays whisky down. Love. Longing. The sea as the sailor's true lady. Epic story-telling worthy of the silver screen.

COME AND GET YOUR LOVE
Redbone

Our whimsical, cheerful 3D animated featurette follows the lyrics of encouragement that true love will find you. All you need to do is come and get it!

DANCING IN THE MOONLIGHT
King Harvest

When the moon comes out, so do the townsfolk, having fun with every kind of dance you can imagine! From hip-hop to country line dancing, this movie gets everybody's toes tapping, and maybe even dancing in the aisles!

DREAMS
Fleetwood Mac

Stevie Nick's signature song comes to life with thunder that only happens when it's raining, and players who only love you when they're playing. An alluring collage of perfectly synchronized imagery and animation.

ESCAPE
(The Piña Colada Song)
Rupert Holmes

A restless couple goes looking for greener grass — but with the help of Piña Coladas, they discover the sweetest paradise has been in their own backyard all along.

I'M ALRIGHT
Kenny Loggins

Meet some very adventurous daredevils who, at first glance, might seem like they're off their rockers. But rest assured, everyone is just fine. Ask them and they'll tell you, "I'm aright. Nobody worry 'bout me!"

LIDO SHUFFLE
Boz Scaggs

Meet Lido — a smooth-talking rogue of a gambler fresh out of prison. In this humorous retro-animated romp, old habits die hard as he hunts for that one last jackpot. Trouble is... for Lido, there's always *one more for the road.*

LOWDOWN
Boz Scaggs

Lies. Deception. Illusion. Through bold symbolism, this film exposes the fallacy that money can buy love. A man finally uncovers the *dirty lowdown* — a painful reckoning with manipulation and the cost of blind devotion.

MARGARITAVILLE
Jimmy Buffett

Jimmy Buffett fans are affectionately called *Parrotheads*! So naturally, this fun animated featurette follow the adventures of a margarita-drinking beach bum *parrot!* Will our feathered friend ever find his lost shaker of salt?

RIDE LIKE THE WIND
Christopher Cross

The Wild West. A wanted outlaw on horseback races to outrun a hanging judge, the gallows, and posse hot on his trail. This live-action thriller follows his daring ride to Mexico through the perilous Arizona desert.

RIKKI DON'T LOSE THAT NUMBER
Steely Dan

3D animation + live action combine for a fun and delightfully unusual take on the song lyrics. When *2 lost cell phones* — Rikki and her new friend — cross paths, they embark on an unlikely adventure to find their way home... and maybe find love.

ROSEANNA
Toto

Meet the adorable Roseanna and discover why her ex-flame is willing to "meet her all the way" to win her back. The story unfolds at the Santa Monica Pier for a ride on the Ferris wheel, the roller coaster, and plenty more thrills along the way.

SAILING
Christopher Cross

This smooth velvety classic helped define the sound of Yacht Rock. Set sail on a journey with live action and larger-than-life oceanic fantasy animation. "The canvas can do miracles. Just you wait and see."

STEAL AWAY
Robbie Dupree

A chance meeting in a club sparks flirtation and a sudden connection. Tempted by adventure, they "steal away" on a romantic drive along the coast, stopping at a quaint little Inn, Is love in the air? Do not disturb!

TAKIN' IT TO THE STREETS
The Doobie Brothers

Our gripping, documentary-style film explores social injustice, political corruption, corporate greed, and the rising voices of protest that echo through the streets.

WHAT A FOOL BELIEVES
The Doobie Brothers

Through the pages of an old, tattered photo album, this minimalist black-and-white film reflects on romantic delusion and the foolish self-deception of trying to rekindle a love that never truly existed.

WHAT YOU WON'T DO FOR LOVE
Bobby Caldwell

This smooth, jazzy Yacht Rock favorite unfolds through mesmerizing visual-synthesis animation, where love becomes a flowing universe of colors, shapes, and energy.

WHENEVER I CALL YOU FRIEND
Kenny Loggins

We follow the lives of a boy and girl whose lifelong friendship carries them from childhood through college graduation. They learn that the enduring power of true friendship can conquer any distance.
